

SOLAR POWERED GUARDRAIL LIGHT

Specification

Model : GAGL

Solar Panel	Type : Mono/ Multi Crystal Operating Voltage : 2.5 V Operating Current : 130 mA
Battery	Ni-MH Rechargeable Battery Operating Voltage : 1.5 V Capacity : 1800 mA Operating Time : 12 hours At Night
LED	Visibility : > 500m Luminance Intensity : 5000 mcd Colour : Yellow, Red, White Flashing Rate/Min : 180 to 200 ± Light Function : Flashing or Steady Light Qty : 3(single)

Material : ABS, Pc, Metal

Operating Temperature : - 40 to 75

Weight : 320g

Application : Guardrail Light, Road Barrier
