

Solar Powered Two Way Arrow

Specification

Model : GATWA

Solar panel

Type : Mono / Multi Crystal

Voltage : 9v

Operating Current : 471 mA

Power : 3770 mW

Battery

Material : Lead Acid

Operating Voltage : 6V

Capacity : 12 AH

Operating time : 12 hours at Night

LED

Colour : Amber / Red

Flash Rate : 120± / min

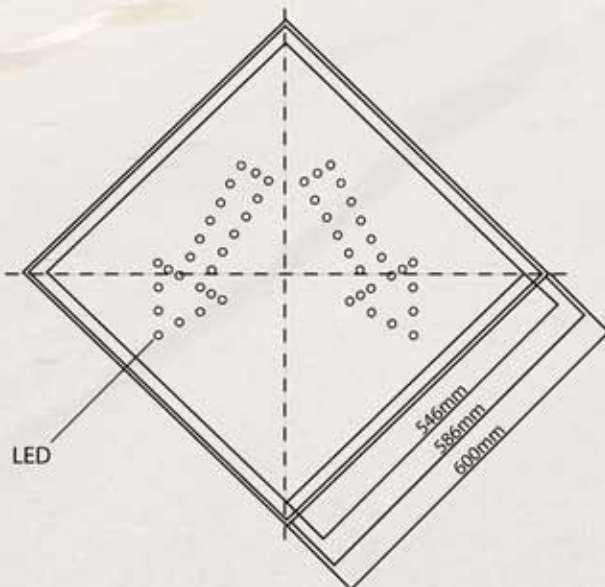

Operating Time : At Night

Qty : 48 pcs

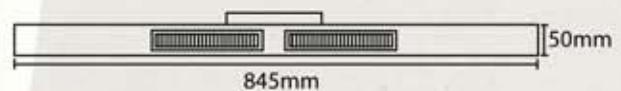

Material : E.G Powder Coated

Fixture Body : 600 x 600 x 50mm

Operating Temperature : -40°C to 75°C
